

WORKSHOP

Fleets, OEMs, tech companies, students, educators and anyone interested in Autonomous Trucking are invited to an Autonomous Trucking Workshop hosted by NACFE in conjunction with PAVE and the Indy Autonomous Challenge.

Industry leaders will conduct a series of focused sessions to exchange ideas, educate attendees on the current state of autonomy, where it is headed, and offer actions on how to move autonomous trucking forward more quickly.

Discussions will include:

- Introduction to Autonomous Trucking
- Operation and Support of Autonomous Trucking
- Financial Aspects of Autonomous Trucking

For more information on NACFE workshops, click [here](#).

Friday, October 22, 4 hours – exact times TBD
Indianapolis Motor Speedway

Visit Eventbrite to [register](#).

Sponsorship opportunities are available starting at \$2,000
